Apply Online Temporarily CLOSED

New Mexico Legal Aid's Statewide Intake System has temporarily reached maximum limits.

Although our Statewide Intake is usually available through both our Intake Phone Line and our Online Application Portal, we are not able to accept new intakes at this time.

We implement this closure only when absolutely necessary, and we truly apologize for the need to impose closure at this time. Please check our main website for up-to-date information about when we will re-open for general intakes and requests for legal help.
